

Turning in an assignment using Kami in Google Classroom

We are all using a free version of Kami and they make it a little tricky to turn in the worksheet.

Instructions on how to load and use Kami are in the "**How To**" folder in your classroom.

Please pay special attention to step number 10. Also, we **HIGHLY** recommend you watch the short tutorial video in the "**How To**" folder – **especially minute 3:50**.

1. Go to **kami.app/extension** to install the Kami Chrome Extension in your Google Chrome Browser. Click the Add to Chrome button, then Add Extension. You should now see the Kami extension icon in the top right-hand corner of your window.
2. Click on the icon and it is going to ask you to sign in or sign up. It is best to sign up with a Google account, so it works with Google Classroom. You will only be asked to do this the first time you use Kami.
3. Kami will now ask you to give them permission to work with your Google account. Click the blue **Accept** button.
4. Now, tell Kami what you are using your account for. Choose "**K-12 School**" and then "**Student**". Then click **Finish**.
5. Open up an assignment from your Google Classroom.
6. Click on your assignment which is in the **Your work** box in the upper right-hand corner of the window. This will open the worksheet in a new window.
7. Click on the blue "**Open with Kami**" button at the top of the window, or there may be a drop down arrow at the top of the screen that says "**open with**". Select **open with Kami** or **annotate with Kami**.
8. You will now have to authorize Google to work in Kami. Choose your account again and click "**Allow**". You will only be asked to do this the first time you use Kami.
9. Use the tools on the left of the page to write or draw your answers.
10. When you are ready to turn in your assignment; **#1** click on "**Turn In**" (in the blue bar above your worksheet), **#2** click on "**Save Now**". **DO NOT** click blue "**TURN IN**" button. You can now close the Kami page.

11. Return to your assignment in Google Classroom and click the pink "**Turn In**" button in the top right-hand corner of the window. The click "**Turn in**" again. See image below

Bonjour! This is Lesson 1.

1. Before your live class, watch the video.
2. Use the book page for help in doing your worksheet.
3. Turn in your worksheet.

Visit the HOW TO folder for more instructions. There is a tool called "Kami" that may be helpful.
